

EXETER RADIO & ELECTRONICS RALLY
SUNDAY 1ST MARCH 2026
THE KENN CENTRE,

Exeter Road, Kennford, Exeter, EX6 7UE.

Dear Trader

Exeter Amateur Radio Society cordially invites you to display your goods at our annual Rally at its New Venue above.

The table hire is £12.00 per 6ft X 2ft table. We are not increasing the cost this year. If you bring your own tables you will be charged £6.00 per table. Two FREE Trader passes will be provided to each Trader. Should you wish to have additional trader passes for persons assisting you, the cost is £2.00 per person. Children under 16 years of age are FREE. We regret if you fail to turn up, your table fees cannot be refunded because we still have to pay for the hall.

In order for us to provide the best service we can for you, please complete the attached application form and send it in ASAP to the Rally Organiser Bill Wrench G7AKJ, address below, either by post or by e-mail attachment to save on your costs, **not later than 31st January 2026**. The Rally private door will be open from 8am to 10am for Traders only to bring in their goods for sale. The car park is FREE and we will endeavour to keep spaces next to Traders Doors, but cannot guarantee if you are late.

The Rally main public doors do not open until 10am. All traders are expected to have their own public liability insurance for your stand. Any electrical devices connected to the Halls mains supply must be PAT tested. Hall rules state nothing must be stuck to the walls. The organisers cannot accept any responsibility for any damage or loss however occasioned.

Tables will be allocated on the first to apply basis. Tables may not be sublet without the organisers consent. Members of our Club will help to carry in some of your goods if free to do so from other on site duties. I thank you kindly in advance of your anticipated support to keep this Rally going for all visitors to enjoy. Please complete page 2 attached and forward to me by your chosen method.

Kind regards

Bill Wrench G7AKJ
